

Goal with Adere!

On December 7th, 2019, we had our third Team Building in partnership with ASBZ Advogados. We organized Futsal tournament with individuals that attend Adere, one of Instituto Devolver's Certified Institutions.

It was a memorable day, with the 20 volunteers from ASBZ Advogados and 40 participants from Adere. We had medals and trophies for all the participants and we had breakfast together in the institutions cafeteria. Congratulations to all involved!!
